- (2) Other than the Assumed Liabilities, the Purchaser shall not assume or have any obligation to discharge, perform or fulfill any obligation or liability of the Company of any kind whatsoever (collectively, the “**Excluded Liabilities**”) and all Excluded Liabilities remain the obligation and responsibility of the Company, including the obligations and liabilities of the Company:
 - (a) for Taxes payable, collectible or remittable by the Company;
 - (b) owing to a lender or creditor of the Company, including any bank overdrafts or bank indebtedness and any indebtedness or liabilities other than the Assumed Liabilities owing under any promissory note, or Contract for the borrowing of money;
 - (c) arising out of or relating to products or services of the Company to the extent manufactured, sold, shipped or rendered prior to the Effective Time;
 - (d) arising out of any Proceeding against the Company in the conduct of the Business or otherwise no matter when arising by reason of any facts or circumstances that occurred or existed prior to the Effective Time, in each case whether or not an action or any other proceeding is commenced prior to the Effective Time;
 - (e) in respect of the Hired Employees to the extent that such obligations and liabilities are based on facts, circumstances or events that arise before the Effective Time, and all obligations or liabilities of the Company in respect of other Employees including, in each case, all obligations and liabilities under all Employee benefit plans, arrangements, schemes or policies offered by the Company and Contracts relating thereto, all severance payments, damages for wrongful dismissal and all related costs in respect of the termination by the Company of the employment of any Employee who does not accept the Purchaser’s offer of employment referred to in Section 5.6(1);
 - (f) for refunds arising under any membership agreement of any type and pre-paid personal training agreements in respect of which the Purchaser has assumed performance obligations pursuant to Section 2.3(1)(a); and

(g) relating to an Excluded Asset.

2.4 Purchase Price and Purchase Price Allocation.

- (1) Subject to the terms and conditions of this Agreement, the aggregate purchase price (the “**Purchase Price**”) to be paid by the Purchaser to the Vendor for the Purchased Assets is:
 - (a) \$9,000,000; and
 - (b) the amount of Accounts Receivable acquired, if any.
- (2) If any Purchased Asset is not capable of being sold, transferred, conveyed or assigned to the Purchaser on the Closing Date, then the Purchase Price shall be reduced by the amount of the replacement cost of such Purchased Asset and such Purchased Asset shall be retained by the Vendor and shall be deemed to be an Excluded Asset.
- (3) The Purchaser and the Vendor shall allocate the Purchase Price in accordance with Schedule 2.4(2) and shall report the purchase and sale of the Purchased Assets for all Tax purposes in a manner consistent with that allocation. If any Governmental Authority does not agree with that allocation, the Purchaser and the Vendor shall use their best efforts (which is not to be construed as requiring the Purchaser or the Vendor to commence or participate in any litigation or administrative process challenging the determination of any Governmental Authority) to agree on a different allocation acceptable to that Governmental Authority, and the Purchaser and the Vendor shall amend the original allocation and the relevant tax returns accordingly.

2.5 Payment of Purchase Price. At the Closing, the Purchaser shall pay and satisfy the Purchase Price:

- (1) by payment to or to the order of the Vendor of the amount of \$9,000,000 plus the amount of Accounts Receivable acquired, if any, pursuant to the flow of funds memorandum to be entered into by the Purchaser and the Vendor and their respective counsel; and
- (2) by the execution and delivery of the General Conveyance and Assumption Agreement.

2.6 Transfer Taxes. The Purchaser shall pay to the Vendor or, where permitted by Applicable Law, directly to the appropriate Governmental Authorities, all sales and transfer taxes, registration charges and transfer fees, including GST/HST, payable by it in respect of the purchase and sale of the Purchased Assets under this Agreement, and, on request of the Vendor, the Purchaser shall furnish to the Vendor proof of direct payment to a Governmental Authority. The Purchaser shall indemnify and save harmless the Vendor from any amounts, including interest and penalties, that may be assessed against the Vendor arising out of the failure of the Purchaser to pay, when due, any Taxes described in this Section.

2.7 GST/HST Election. The Purchaser and the Vendor shall jointly elect under subsection 167(1) of the ETA and under any similar provision of any applicable provincial legislation imposing a similar value added or multi-staged tax, that no tax be payable with respect to the purchase and sale of the Purchased Assets pursuant to this Agreement. The Purchaser and the Vendor shall make those elections in prescribed form containing prescribed information and shall file those elections in compliance with the requirements of applicable legislation.

2.8 Accounts Receivable Election. If requested by the Purchaser, the Purchaser and the Vendor shall elect jointly in the prescribed form under Section 22 of the Tax Act and under any similar provision of any

other applicable provincial legislation as to the sale of the Accounts Receivable forming part of the Purchased Assets and described in Section 22 of the Tax Act and shall in that election allocate an amount equal to the portion of the Purchase Price allocated to those assets pursuant to Schedule 2.4(2) as the consideration paid by the Purchaser for those assets. The Parties shall file such election forms, along with any documentation necessary or desirable to give effect to such election, with CRA and any other appropriate taxation authority within the prescribed time limits.

2.9 Payment of Taxes. The Company shall pay, collect and remit all Taxes relating to the Business which arise, or are related to a period of time, prior to the Effective Time.

2.10 “As-is, Where-is”. The Purchaser acknowledges that: (a) it is purchasing the Purchased Assets on an “as is, where is” and “without recourse” basis and on the basis that the Vendor has not guaranteed or will not guarantee title to the Purchased Assets and that the Purchaser has conducted such inspections of title to the Purchased Assets as it deems appropriate and has satisfied itself with regard to these matters; and (b) it has inspected the Purchased Assets and will accept the same on the Closing Date, in their then current state, condition and location. Except as otherwise expressly provided in this Agreement, no representation, warranty or condition whether statutory, expressed or implied, oral or written, legal, equitable, conventional, collateral or otherwise will be given by the Vendor as to title, outstanding liens, description, fitness or purpose, merchantability, quantity, condition, quality, suitability, durability, assignability, or marketability therefor or any other matter of thing whatsoever, and all of the same are expressly excluded. The Purchaser acknowledges and agrees that it has inspected the Purchased Assets and has relied on its own investigations as to the matters set out above and in determining to purchase the Purchased Assets pursuant to this Agreement. The description of the Purchased Assets contained herein is for the purpose of identification only. No representation, warranty or condition has or will be given by the Vendor concerning completeness or accuracy of such description.

ARTICLE 3 CLOSING ARRANGEMENTS

3.1 Closing. Subject to the satisfaction or waiver by the applicable Party of the conditions set out in Article 4, the Parties shall hold the Closing on the Closing Date, at such time as agreed to by the Vendor and the Purchaser and at the offices of the Purchaser’s Counsel in Vancouver, British Columbia or at such other place as agreed to by the Vendor and the Purchaser.

3.2 Vendor’s Closing Deliveries. At Closing, the Vendor shall deliver or cause to be delivered to the Purchaser all certificates, agreements, documents and instruments as required under Section 4.1(1)(g).

3.3 Purchaser’s Closing Deliveries. At Closing the Purchaser shall deliver or cause to be delivered to the Vendor all payments, certificates, agreements, documents and instruments as required under Section 4.2(1)(d).

ARTICLE 4 CONDITIONS OF CLOSING

4.1 Conditions for the Benefit of the Purchaser.

(1) The Purchaser shall be obliged to complete the Transaction only if each of the following conditions precedent has been satisfied in full at or before the time of Closing on the Closing Date:

- (g) the Vendor has caused to be delivered to the Purchaser the following:
 - (i) all deeds, conveyances, bills of sale, assurances, transfers, assignments and any other documentation or action which in the opinion of the Purchaser are necessary or reasonably required to transfer the Purchased Assets to the Purchaser with good and marketable title, free and clear of all Encumbrances, in each case duly executed by the Vendor and in form and substance satisfactory to the Purchaser, acting reasonably;

- (h) the Purchaser shall have obtained assurances reasonably acceptable to the Purchaser that the Purchaser or its representatives can, promptly following the Closing, enter into each property previously leased by the Company where Personal Property is located or stored and in respect of which the Purchaser is not acquiring the applicable lease and remove such Personal Property.
- (2) Each of the conditions set out in Section 4.1(1) is for the exclusive benefit of the Purchaser and the Purchaser may waive compliance with any such condition in whole or in part by notice in writing to the Vendor, except that no such waiver operates as a waiver of any other condition.

4.2 Conditions for the Benefit of the Vendor.

- (1) The Vendor shall be obliged to complete the Transaction only if each of the following conditions precedent has been satisfied in full at or before the time of Closing on the Closing Date:
 - (a) the Purchaser shall have complied with or performed all of the obligations, covenants and agreements under this Agreement to be complied with or performed by the Purchaser on or before the Closing Date to the satisfaction of the Vendor, acting reasonably;
 - (b) the Court shall have granted the Sale Approval Order, which shall not have been stayed, there shall be no outstanding appeal therefrom, and all applicable appeal periods shall have passed;

 - (i) payment of the amounts required to be paid on the Closing Date under Section 2.5;
 - (ii) the General Conveyance and Assumption Agreement, duly executed by the Purchaser; and
 - (iii) the tax elections in Section 2.7 and Section 2.8, duly executed by the Purchaser.
- (2) Each of the conditions set out in Section 4.2(1) is for the exclusive benefit of the Vendor and the Vendor may waive compliance with any such condition in whole or in part by notice in writing to the Purchaser, except that no such waiver operates as a waiver of any other condition.

4.3 Termination Events. By notice given prior to or at Closing, subject to Section 4.4, this Agreement may be terminated as follows:

- (a) by the Purchaser or the Vendor pursuant to Section 5.5(1)(a);
- (b) by mutual consent of the Purchaser and the Vendor;

- (c) by the Purchaser unless it is in material breach of this Agreement or by the Vendor unless the Vendor is in material breach of this Agreement, if the Closing has not occurred on or before the Outside Date.

4.4 Effect of Termination. Each Party's right of termination under Section 4.3 is in addition to any other rights it may have under this Agreement or otherwise, whether at law, in equity or otherwise, and the exercise of that right of termination is not an election of remedies. If this Agreement is terminated pursuant to Section 4.3, all obligations of the Parties under this Agreement will terminate except that the obligations contained in this Section 4.4 and in Article 6 (except for Section 6.2) will survive.

4.5 Waiver of Conditions of Closing. If any of the conditions set forth in Section 4.1 has not been satisfied, the Purchaser may elect in writing to waive the condition and proceed with the completion of the Transaction and, if any of the conditions in Section 4.2 has not been satisfied, the Vendor may elect in writing to waive the condition and proceed with the completion of the Transaction. Any such waiver and election by the Purchaser or the Vendor, as the case may be, will only serve as a waiver of the specific closing condition and the other Party will have no liability with respect to the specific waived condition.

ARTICLE 5 COVENANTS

5.1 Exclusive Dealings. During the Interim Period, the Vendor shall not take any action, directly or indirectly, to encourage, initiate or engage in discussions or negotiations with, or provide any information to, or enter into any agreement or arrangement or understanding with, any Person, other than the Purchaser and its designated and authorized Representatives, concerning any sale, transfer or assignment of any portion of the Business or the Purchased Assets. The Vendor shall notify the Purchaser promptly if any such discussions or negotiations are sought or if any proposal for a sale, transfer or assignment of any portion of the Business or the Purchased Assets is received or being considered. The Vendor shall use its best efforts to provide the Court with all necessary documents, forms, consents and other information as the Court may require in order to obtain the Sale Approval Order as expeditiously as possible. The Purchaser shall cooperate with the Vendor in its efforts to obtain the Sale Approval Order and shall make commercially reasonable efforts to provide or cause to be provided to the Vendor at the Vendor's request and cost all certificates, affidavits or other documents and instruments reasonably required by the Vendor to obtain the Sale Approval Order. The Vendor shall use commercially reasonable efforts to obtain the Sale Approval Order.

5.2 Access. During the Interim Period, upon reasonable request by the Purchaser, the Vendor shall promptly make available to the Purchaser and its Representatives copies of all documents and information concerning the Purchased Assets, Assumed Liabilities and Business as the Purchaser may reasonably request and which are in the Vendor's possession or control.

5.3 Transfer of Documentation. On the Closing Date, the Vendor shall deliver, and shall cause to be delivered, to the Purchaser the Books and Records and all documents (except, in the case of those required by Applicable Law to be retained by the Company, copies thereof) and other data, technical or otherwise, which are owned by the Company and in the possession or control of the Vendor at the Closing Date, relating to the Business or the Purchased Assets. The Purchaser shall preserve all those documents delivered to it in accordance with the Purchaser's document retention procedures or for such longer period as is required by Applicable Law. The Purchaser shall permit the Vendor and its authorized Representatives reasonable access to those documents while they are in the Purchaser's possession or control solely to the extent that access is required by the Vendor to perform its obligations under this Agreement or under Applicable Law, but the Purchaser shall not be responsible or liable to the Vendor for, or as a result of, any loss or destruction of or damage to any such documents and other data unless that destruction, loss or damage is caused by the Purchaser's negligence or wilful misconduct. The Vendor shall be responsible for all reasonable out-of-pocket costs and expenses incurred, directly or indirectly, by the Purchaser in connection with any access contemplated by this Section 5.3.

5.4 Personal Information.

- (1) The Vendor and the Purchaser shall:
 - (a) at all times, use and disclose the Personal Information under its control solely for the purposes for which the Personal Information was collected or permitted to be used or disclosed, unless to the extent required by Applicable Law, the Vendor or the Purchaser, as the case may be, has obtained the consent of or has given notice to the individual to whom the Personal Information relates of the additional purposes for which the Personal Information is to be used or disclosed, or such additional purposes are permitted or authorized by Applicable Law;
 - (b) protect the Personal Information using security safeguards that meet or exceed industry standards, taking into account the sensitivity of the Personal Information; and
 - (c) give effect to any withdrawal of consent by the individual to whom the Personal Information relates where the Personal Information was collected with consent.
- (2) The Purchaser shall, to the extent required by Applicable Law, notify the individuals to whom the Personal Information relates that the Transaction has been completed and of the disclosure of their Personal Information to the Purchaser.
- (3) In the event that the Transaction is not completed, the Purchaser shall, within a reasonable period of time, return the Personal Information to the Vendor or, in its discretion, destroy it and provide a certificate of a senior officer of the Purchaser to that effect to the Vendor.

5.5 Risk of Loss.

- (1) If, before the Closing, any material portion of the Purchased Assets or material portion of the Business is lost, damaged or destroyed or is appropriated, expropriated or seized by any Governmental Authority, and the loss, damage, destruction, appropriation, expropriation or seizure cannot, in the reasonable opinion of the Vendor, be restored within 60 days from the date of loss, damage, destruction, appropriation, expropriation or seizure, then the Purchaser may either:
 - (a) terminate this Agreement; or

- (b) reduce the Purchase Price by the amount of the replacement or repair cost of the Purchased Assets and/or the Business which were lost, damaged, destroyed, appropriated, expropriated, or seized, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damages, destruction, appropriation, expropriation, or seizure shall be retained by the Vendor and shall be deemed to be an Excluded Asset; or
 - (c) elect to complete the Transaction, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damage, destruction, appropriation, expropriation or seizure of Purchased Assets will be assigned or paid by the Vendor to the Purchaser.
- (2) If, before the Closing, any of the Purchased Assets or part of the Business is lost, damaged or destroyed or is appropriated, expropriated or seized by any Governmental Authority, and the loss, damage, destruction, appropriation, expropriation or seizure can, in the reasonable opinion of the Vendor, be restored within 60 days from the date of loss, damage, destruction, appropriation, expropriation or seizure, then upon satisfaction or waiver of the conditions set out in Article 4, the Parties will complete the Transaction; provided that (a) any proceeds of insurance payable as a result of the occurrence are to be directed by the Vendor to be paid to the Purchaser, and (b) the Purchase Price will be reduced by the mutually agreed amount of replacement or repair cost of the Purchased Assets and/or Business which were lost, damaged or destroyed to the extent that insurance proceeds do not compensate for the replacement or repair cost of the Purchased Assets and/or Business which were lost, damaged or destroyed.

5.6 Employees.

- (1) Prior to the Closing Date, but conditional on the completion of the Closing, the Purchaser shall use commercially reasonable efforts to offer employment to up to 50% of the full-time Employees effective as at the Effective Time, on terms and conditions which are in the reasonable judgement of the Purchaser equal to or better than market employment terms for similarly experienced employees in equivalent roles in the fitness industry in British Columbia. For greater certainty, unless the Purchaser elects to make an offer of employment to any Employee that is on temporary layoff, leave of absence, disability or other non-active status and that offer of employment is accepted by that Employee, the Company shall remain responsible for and the Purchaser is not assuming any liability or obligation with respect to that Employee. Notwithstanding the foregoing, except as expressly set out in this Section 5.6, nothing herein shall require the Purchaser to set up or make available to the Hired Employees pension and employee benefit arrangements or to provide pension and employee benefits.
- (2) The Purchaser shall assume and be responsible for all liabilities and obligations with respect to the Hired Employees to the extent arising on and after the Effective Time.
- (3) The Company shall be responsible for all liabilities and obligations with respect to all Employees other than the Hired Employees and with respect to the Hired Employees up to the Closing Date, including liabilities and obligations under all Statutory Plans and related to any required notice of termination, termination or severance pay (required under Applicable law or by contract), salary or wages, statutory holiday pay, overtime pay, payroll or employer health taxes, commissions, bonuses, employee benefit plan payments or contributions, vacation entitlements or expense reimbursements.

5.7 Employee Plans. The Purchaser is not assuming, nor will it have any liability for, any of the employee benefit plans, arrangement, schemes or policies offered by the Company. The Hired Employees shall cease to accrue any further benefits under any of employee benefit plan, arrangement, scheme or policy offered by the Company from the Effective Time.

5.8 Use of Name. The Purchaser shall, within 180 days from the Closing Date, remove all signage and reference to “Steve Nash” and the image and likeness of Stephen J. Nash on all premises under the control of the Purchaser and all websites and other advertising and marketing materials used by the Purchaser. In furtherance of the foregoing, the Vendor shall use its commercially reasonable efforts, on request by the Purchaser, to inform Stephen J. Nash and his Affiliates of the Purchaser’s efforts to remove all such signage and references to “Steve Nash” and the image and likeness of Stephen J. Nash from all premises under the control of the Purchaser and all websites and other advertising and marketing materials used by the Purchaser.

ARTICLE 6 GENERAL

6.1 Expenses. Each Party shall pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement and the Transaction, including all fees and expenses of its legal counsel, bankers, investment bankers, brokers, accountants or other representatives or consultants.

6.2 Best Efforts. In this Agreement, unless specified otherwise, an obligation of any Party to use its best efforts to obtain any Approval does not require the Party to make any payment to any Person for the purpose of procuring the Approval, except for payments for amounts due and payable to that Person, payments for incidental expenses incurred by that Person and payments required by any Applicable Law.

6.3 No Third Party Beneficiary. This Agreement is solely for the benefit of the Parties and no third party accrues any benefit, claim or right of any kind pursuant to, under, by or through this Agreement.

6.4 Entire Agreement. This Agreement together with the other agreements to be entered into as contemplated by this Agreement (the “**Other Agreements**”) constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and the Other Agreements and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral, including the form of offer and contract of purchase and sale dated May 20, 2020 executed by Mark Mastrov and Christopher Smith as a pre-incorporation contract and adopted by the Purchaser. Except as specifically set out in this Agreement or the Other Agreements, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the Other Agreements or which induced any Party to enter into this Agreement or the Other Agreements. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or after entering into, this Agreement or any Other Agreement, or any amendment or supplement hereto or thereto, by any Party to this Agreement or any Other Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement or that Other Agreement, and none of the parties to this Agreement or any Other Agreement has been induced to enter into this Agreement or any Other Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There is no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section.

6.5 Time of Essence. Time is of the essence of this Agreement.

6.6 Amendment. This Agreement may be supplemented, amended, restated or replaced only by written agreement signed by each Party.

6.7 Waiver of Rights. Any waiver of, or consent to depart from, the requirements of any provision of this Agreement is effective only if it is in writing and signed by the Party giving it, and only in the specific instance and for the specific purpose for which it has been given. No failure on the part of any Party to exercise, and no delay in exercising, any right under this Agreement operates as a waiver of that right. No single or partial exercise of any such right precludes any other or further exercise of that right or the exercise of any other right.

6.8 Jurisdiction. The Parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the Courts in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.

6.9 Governing Law. This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of British Columbia and the laws of Canada applicable in British Columbia, excluding the choice of law rules of that province.

6.10 Notices.

(1) Any notice, demand or other communication (in this Section 6.10, a “**notice**”) required or permitted to be given or made under this Agreement must be in writing and is sufficiently given or made if:

(3) Any Party may change its address for notice by giving notice to the other Parties.

6.11 Assignment. No Party may assign or transfer, whether absolutely, by way of security or otherwise, all or any part of its rights or obligations under this Agreement to any Person.

6.12 Further Assurances. Each Party shall promptly do, execute, deliver or cause to be done, executed or delivered all further acts, documents and matters in connection with this Agreement that any other Party may reasonably require, for the purposes of giving effect to this Agreement.

6.13 Severability. If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision will, as to that jurisdiction, be ineffective only to the extent of that restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of that provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances. The Parties shall engage in good faith negotiations to replace any provision which is so restricted, prohibited or unenforceable with an unrestricted and enforceable provision, the economic effect of which comes as close as possible to that of the restricted, prohibited or unenforceable provision which it replaces.

6.14 Successors. This Agreement is binding on, and enures to the benefit of, the Parties and their respective successors.

6.15 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together constitute one agreement. Delivery of an executed counterpart of this Agreement by facsimile or transmitted electronically in legible form, including in a tagged image format file (TIFF) or portable document format (PDF), shall be equally effective as delivery of a manually executed counterpart of this Agreement.
